18ai YogaLife

An early-stage education concept blending yoga instruction, mindfulness and healthy habits.

Who this is for

Adults and corporate wellness coordinators

What we offer

Instructor-led introductory sessions; digital habit education (planned)

Proposed learning modules

- Yoga and mindful movement fundamentals
- Stress-management and relaxation practices
- Routine-building and reflection
- Optional future AI support with privacy safeguards

Expected learning outcomes

- Support healthy habit awareness
- Encourage consistent and safe practice
- Know when to consult a qualified clinician

How a partnership starts

Discovery call > Curriculum alignment > Introductory session > Agreed paid pilot > Feedback and review.

For a tailored timetable, programme quotation and delivery plan, contact hi@18ai.in or call +91 89830 89318. Primary contact: Adult learner / wellness coordinator.

Safety and availability

Wellness is a developing offering. The material is educational, not medical advice, diagnosis or treatment. No claims of curing diabetes, hypertension or other conditions. Individual exercise suitability must be

assessed by qualified professionals.

Important: Course scope, dates, fees, instructor availability and any certification arrangement are proposals until mutually confirmed. These materials do not imply accreditation or endorsement.
